CERTIFICATE

Bureau Veritas Certification France certifies that the Management System of

EQUIPOS NUCLEARES, S.A., S.M.E. (ENSA)

AVDA. JUAN CARLOS I, 8
39600 MALIAÑO
SPAIN

This is a multi-site certificate, additional site(s) are listed on the next page(s)

has been audited and found to be in accordance with the requirements of the management system standards detailed below

ISO 19443:2018

Scope of certification:

For the ITNS activities:

Design, development, production, installation and repair of nuclear pressure vessels as well as welded structures (such as pressure vessel internals, cells, racks and containers); upgrading and certification of base materials (pipes, fasteners, plates, forgings) and welding filler materials (covered electrodes, submerged arc and wire gas protected combinations) as well as activities of calibration, chemical, metallographic, mechanical testing and non-destructive testing laboratories.

Para las actividades IPSN:

Diseño, desarrollo, producción, instalación, y reparación de recipientes a presión nucleares, y equipos mecanosoldados (tales como internos de recipientes a presión, celdas, bastidores y contenedores para combustible gastado y no gastado); upgrading y certificación de materiales base (tuberías, elementos de fijación, chapas, forjas) y de aportación en soldadura (electrodos recubiertos, combinaciones arco sumergido y varilla bajo gas protector) así como actividades de los laboratorios de calibración, químico, metalográfico, ensayos mecánicos y ensayos no destructivos.

Certificate number:
FR103897

Version: **1**

Contract N: ***34660021***

Original certification date:
22 April 2026

Expiry date of previous cycle:
NA

Certification/Recertification audit date:
02 February 2026

Current cycle start date:
22 October 2026

Expiry date:
21 April 2029
(Subject to the continued satisfactory operation of the organisation's Management System)

Issue Date:
22 October 2026
